**Factory primed & ready for paint**

### Security Copper Doors made-to-order copper over steel

Come complete with steel frame, extra-sturdy, tamper-proof hinges, lock and entrance set. Select a style from our magnificent door series or have one adapted to suit your specific requirements. Perfect for residential use as well as for villas, estates, banks, enterprises and institutions. These doors combine security and elegance into one. Made of steel covered with copper, unlike our competitors' who offer copper over wood. When ordering, specify type of finish desired. Visit [www.rensup.com](http://www.rensup.com) to view other styles.

**18173 SPECIAL ORDER**

**16754 SPECIAL ORDER**

### Glass Staircase are the solution for small spaces or for making a dramatic statement.

Choose from a variety of styles at [www.rensup.com](http://www.rensup.com) Our staircases feature clear, tempered glass threads that are 1 1/2 in. thick for safety and durability. The modern banister & balusters are made of stainless steel. Made to order, so please specify riser height when ordering.

### The Perfect Solution For Dressing Up Plain Walls

Use chair rails to delineate space, create a formal room & prevent chair marks. Made of urethane foam, these sturdy chair rails are built to last and easy to install.
