Kid-size Sinks & Toilets Make Learning Fun & Easy With Less Mess!

Our child sized sinks and toilets are not only safer for kids, they also minimize the messes and frustration associated with standard sized fixtures. These fixtures are suitable for residential and commercial use and are constructed of grade A vitreous china. Sinks take 4 inch center set faucets, not included (See page 15). Toilets are ANSI compliant, water super savers at 1.25 gallons per flush and fit standard 12 inch rough-in.

- Less mess, easy reach child size!
- Water saver 1.25 gpf
- Easy push top, flush button
- Install & uninstall with ease
- Toilet seat included
